

## SCOUTS

## CAMP EQUIPMENT LIST

THIS IS A GUIDE ONLY:

Complete Uniform (travel to camp wearing this)  
Coat-hanger  
Sleeping Bag  
Roll mat/blanket  
Pyjamas  
Waterproofs ( top and bottoms )  
Warm coat  
Warm Sweater (s) or Sweatshirts  
Outdoor trousers ( at least one non-denim )  
Spare clothing – enough for a weekend in a wood!  
Shirts / T-shirts  
Shorts (being optimistic)  
Bathing / shower towel  
Walking Boots  
Hiking Socks  
Wellington boots (Optional)  
Gloves  
Woolly Hat  
Underclothes & Socks  
Training Shoes  
Personal Washing Requirements  
Hand towel  
Personal First Aid Kit  
Torch & spare batteries  
Tea Towel x 1  
Knife, fork & spoon  
Plate, bowl & mug  
Sun cream

FOOTWEAR – training shoes are not adequate as the only footwear on a scout camp. Even if there is no rain, a dewy morning will quickly saturate trainers and they will not dry out in a weekend.

Sturdy footwear is essential – you would not like to be in wet shoes for 36+ hours.

Scouts wishing to use axes and saws must wear hiking boots!

Medication – Must be handed in to a leader on arrival, with written instructions

Spending Money (suggested max £3).

Mobile phones should not be taken to camp. A pay-phone is available on the site.

The leaders cannot accept responsibility for loss or damage to personal equipment. Scout camps are hostile to personal stereos, pagers and other delicate equipment. We strongly suggest that these and similar items are left at home.

Items should be packed in plastic bags within a rucksack or bag. All main bags will be transported in a trailer which is NOT waterproof!!
